

MANDARIN ORIENTAL  
LAS VEGAS

Welcome to Mandarin Oriental  
Immerse yourself in the new Las Vegas.

## A sky high oasis of calm

Mandarin Oriental, Las Vegas is an exceptional hotel offering discreet luxury at the center of The Strip. We are located within the revolutionary Aria Resort & Casino development and through our own sustainable design we have achieved LEED® certification. Our 23rd floor sky lobby soars above the city's brilliance; here you'll find a non-gaming oasis of oriental calm a step from the famous casinos. It is our pleasure to welcome every guest with the sincere and gracious service for which Mandarin Oriental is renowned.

## A breath of fresh air in Las Vegas

We have 392 rooms, each a model of contemporary design with subtle oriental touches. Glass enclosed bathrooms are sensual retreats; bathed in natural light. One central control allows you to personalize your environment entirely, while a valet box means you are never unnecessarily disturbed. Breathtaking views sweep over the gleaming heights of The Strip.

## Suites

The discreet luxury of our 58 suites exceeds all anticipation, right up to the glamorous heights of our 22nd floor Mandarin Suite. All have spectacular views and individual features, such as Technogym fitness areas, stylish private dining, or the striking design of our Black and White speciality suite with its own media room.

## Twist and Shout

We offer the highest levels of fine dining in Las Vegas on our 23rd floor with views that will take your breath away. Twist is the only restaurant in the US where you can experience the cuisine of three Michelin starred chef Pierre Gagnaire. MOzen is an exhilarating culinary theatre with the hottest Pan Asian dishes, and Mandarin Bar has a spectacular 20 metres of views.

## Spa

Our spa is a tranquil retreat 20 floors high in the sky. As you relax under the hands of our expert therapists you have the sensation of lying in heaven above Las Vegas. We have seven couples' suites and a Chinese Foot Spa for reflexology with sensational views. Every treatment begins in our magical heat and water oasis.

## Contemporary calm overlooking The Strip

We provide drama with our ideas and views and calm with our oriental inspiration and gracious service. Our ballroom has soaring floor-to-ceiling windows right above The Strip and can host up to 600 guests. For more personal occasions we have dramatically designed private areas in our Mandarin Bar and Twist.

## Step into style and serenity

We are connected directly to Crystals for luxury shopping and a step from the casinos, but in our hotel you'll find an oasis of serenity. Butlers await you on our stylish pool deck, serving iced refreshments in private cabanas. Our beautifully designed movement studio offers classes in yoga and meditation. The fitness center has cutting edge equipment with views of the gleaming Aria Resort & Casino architecture. Our salon offers professional consultations in personal styling.
